

New LNG Business (Small Scale LNG)

The rationale behind the investment in a LBG plant

yannick.rouaud@airliquide.com - Sales Manager

Who are Small Scale LNG customers?

Market Segments

- Gas to Power
- Residential
- Marine
- Industrial
- Trucks
- E&P (Exploration & Production)

Liquefied Natural Gas displaces Oil Derivatives

Drivers

Energy density :

1 kg **Diesel** ~ 1 kg **LNG Energy**
1 liter of *Diesel* ~ 1.68 liter of *LNG Energy*

Economics

Competitive* & Best Buy

Reliability

Applications & Industrial

Environment

Cleaner ** & Bio Path

** No SOx, No Particles, 90% less NOx, 20% less CO2, Well to Wheel*

Strong fundamentals driving CH4 applications
